All responses to a Request for Quotations (RFQ) must be submitted on and in accordance with this form. If more space is required to furnish a description of the good and/or services offered or delivery terms, Bidder may attach a letter hereto which will be made a part of the quote. All quotes must be submitted plainly marked with the RFQ number and date.

#### 5.2 OPENING DATE/TIME:

Quotes and amendments thereto, or withdrawal of quotes submitted, if received by the Owner after the specified due date will not be considered. It will be the responsibility of the Bidder to see that his quote is in this office by the close of business (5:00 p.m.) and the specified date.

There will be no exceptions. Date of postmark will not be considered. Verbal quotes will not be accepted.

5.3 INCONSISTENCIES IN CONDITIONS:

In the event there are inconsistencies between the General Terms and Conditions and the Special Terms and Conditions, if any, and/or other schedules contained herein, the latter two shall take precedence.

5.4 CLARIFICATION OF TERMS:

If any prospective bidder has questions about the specifications or other solicitation documents, the prospective bidder should contact the buyer whose name appears on the face of the solicitation. Any revisions to the solicitation will be made only by addendum issued by the Central Purchasing Office.

5.5 TESTING/INSPECTION:

The Owner reserves the right to conduct any test/inspection it may deem advisable to assure services conform to the specification.

5.6 INVOICES:

Invoices for services ordered, delivered and accepted shall be submitted directly to 'INVOICE TO:' address shown on the purchase order/contract. All invoices shall show the purchase order number. Any payment terms requiring payment in less than thirty (30) days will be regarded as requiring payment thirty (30) days after invoice or delivery/completion, whichever occurs last. However, this shall not affect offers or discounts for payment in less than thirty (30) days.

5.7 DEFAULT:

In event of default by the Contractor, the Owner reserves the right to procure the commodities and/or services from other sources, and hold the Contractor liable for any excess cost occasioned thereby.

5.8 ETHICS IN PUBLIC CONTRACTING:

By submitting their quotes, all bidders certify that their quotes are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other bidder, supplier, manufacturer or subcontractor in connection with their quote, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised unless consideration of substantially equal or greater value was exchanged.

5.9 ANTI-DISCRIMINATION:

By submitting its quote, Bidder certifies to the Owner that it will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Act of 1975, as amended, and Section 2.2-4311 of the Virginia Public Procurement Act which provides:

In every contract over \$10,000, the provisions of a. and b. below apply:

- a. During the performance of this Contract, the Contractor agrees as follows:

The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex or national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

Contractor, in all solicitations for advertisements for employees placed in behalf of Contractor, will state that Contractor is an equal opportunity employer.

Notices, advertisements and solicitations placed in accordance with Federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.

- b. Contractor will include the provisions of a. above in every subcontract or purchase order over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.
- c. In accordance with §2.2-4343.1 of the Code of Virginia, et. seq., the Owner shall not (i) discriminate against a faith-based organization as defined in Code of Virginia section 2.2-4343.1(B) on the basis of the organization's religious character or (ii) impose conditions that (a) restrict the religious character of the faith-based organization, except as provided in subsection F of section 2.2-4343.1 the Code of Virginia, or (b) impair, diminish, or discourage the exercise of religious freedom by the recipients of such goods, services, or disbursements.

5.10 IMMIGRATION REFORM AND CONTROL ACT OF 1986:

By signing this quote, the bidder certifies that it does not and will not during the performance of this contract violate the provisions of the Federal Immigration Reform and Control Act of 1986, which prohibits employment of illegal aliens.

5.11 INDEMNITY AGREEMENT:

The following shall be deemed included as a condition of any contract awarded as a consequence of this quote:

Contractor and all subcontractors shall bear all loss, expense (including reasonable attorney's fees) and damage in connection with, and shall indemnify Owner against and save Owner harmless from all claims, demands, and judgments made or recovered against Owner because of bodily injuries, including death at any time resulting therefrom, and/or because of damage to property, from any cause whatsoever, arising out of, incidental to, or in connection with the

performance of this agreement, whether or not due to any act of his or their employees, servants or agents and whether or not due to any act of omission or commission, including negligence but excluding sole negligence, of the Owner, his employees, servants, or agents. Compliance by the Contractor with the insurance provisions hereof shall not relieve Contractor from liability under this provision.

Should Contractors or subcontractors use any of Owner's equipment, tools, employees, or facilities, such will be gratuitous and Contractor shall release Owner from and indemnify and save harmless Owner from and against any claims for personal injuries, including death, arising out of the use of any such equipment, tools, employees, or facilities, whether or not based upon the condition thereof or any alleged negligence of Owner in permitting the use thereof.

**6.0 INFORMATION FOR BIDDERS TO PROVIDE SERVICES:**

- 6.1 Award will be made to the lowest responsible and responsive bidder. The quality of the services to be supplied, their conformity with the specifications, their suitability to the requirements of the Owner, and the delivery/completion terms will be taken into consideration in making the award.
- 6.2 Cash discounts may be offered by bidder for prompt payment of bills, but such discount will not be taken into consideration in determining the low bidder but will be taken into consideration in awarding tie quotes. The discount period will be computed from the date delivery/service is accepted at destination or from date correct invoice is received by the consignee, whichever is the later date.
- 6.3 Acceptance of a quote by the Owner is not an order to proceed.
- 6.4 Each quote is received with the understanding that the acceptance in writing by the Owner of the offer to furnish any or all of the services described therein, shall constitute a contract between the bidder and the Owner, which shall bind the bidder on his part to furnish and deliver the services quoted on at the prices stated and in accordance with the conditions of said accepted quote; and the Owner on its part to pay for, at the agreed prices, all services specified and delivered.
- 6.5 All prices and notations must be in ink or typewritten. No erasures permitted. Mistakes may be crossed out and corrections made in ink adjacent and must be initialed and dated in ink by person signing quotations.
- 6.6 All quotations must be signed with the firm name and be signed by an officer or authorized employee of the firm. In the case of a corporation, the title of the officer signing must be stated and each officer must be duly authorized. In the case of a partnership, the signature of at least none of the partners must follow the firm name using the term "member of the firm" or "general partner".
